2. Members in Attendance

Directors Bell, Rhodes, Burriss, Pavlecic, Grantz.  
DMs Serranos

3. Approve Minutes of Last Meeting

4. Review and Discussion of Employee/Patrons  
Accident/Incident Reports

NONE

5. Staff Safety Training

NONE

6. Site Inspections

All completed on time

7. Old Business

8/4- Noticed tree #68 leaning more than typical in Robin's park and lots of squishy spots and a little dirt mounding around ground area.

7/26- Garbage enclosure gate looking like it needs replacement.

8. New Business

10/4- Metal hardware on the swings sets are getting rusty. DMs plan to order replacement hardware that is certified for playground use. DMs will also swap out carabiners hook ups for S hooks. CAPRI notified us that those are safer and last longer.

10/24- Planter barrier is rising near the Peace Pyramid at Triangle park creating a tripping hazard next to the sidewalk/DG area. DM notified Coastal Evergreen and they are going to see if they can hammer it back down for free.

11/7- Vista Lane walkway, DMs spread small pebbles over walkway on 11/9. If the Board members have time after 11/9 to check the walkway, that would be helpful for discussion at 11/13 Board meeting.

## 9. Future Meetings

Next Safety Meeting Feb 14th, 2024, to follow Regular Board Meeting.
