4.20.2023
- Scanlon cypress broken limb removed by La Selva Tree Service.
4.20.2023
-Broken limb Removed by La Selva Tree Service from large Cypress #20 at West entry to walking path in Robin's Park.
4.10.2023
- Oak #210 and Unmarked Oak next to #211 in Robin's Park are young and overcrowded by larger surrounding trees. #210 could be potentially risky due to substantial lean/weight bias over walking path. We will keep a close eye on them and will potentially remove when needed.
