5. Staff Safety Training

DM Madelyn Serrano took "Park and Playground Safety" training with CAPRI on May 6th

6. Site Inspections

All completed on time.

Kirk Andre, CAPRI Safety Analyst and Specialist is coming to do our regular safety cycle visit next Tuesday (June 16th at 10 am). He will be here to review our policies (on safety (this is something CAPRI does annually) and run through our normal safety inspections, etc. DM Eden Serrano will be meeting with him.

8. New Business

Residents John Hunt and other volunteers reset the telephone pole barrier next to LSBRD boundary / Vista Dr. at the bluff.

Eucalyptus tree branch fell onto the street at bluff on May 12th 2026. La Selva Tree came out the day to remove it for \$250.

May 15th DMs noticed more wood rotting on the swing set next to the tire swing, concluding it is structurally compromised. As a result, the DM took the swings down that day.
