5. Staff Safety Training

NONE

6. Site Inspections

All completed on time

7. Old Business

4/27 - Large gopher holes forming in DG walkway  
near Bocce Ball Court at Triangle Park. Alerted Jeff to  
get some more DG to fill holes and he said he would  
patch it.

5/1- Another lager gopher appeared in DG at Triangle  
park near the CORES program bin.

Still keeping a close eye on the sickly Queen palm outside of DM Office in Bachelor's Park

-5/8 Update: Queen Palm Tree removed. (Scroll down to see picture)

5/3 – Noticed one of the barriers holding in the woodchips have come complete unhinged and needs repair. Should be an easy fix, with materials about \$200. (Scroll down to see picture)

## 8. New Business

8/4- Noticed tree #68 leaning more than typical in Robin's park and lots of squishy spots and a little dirt mounding around ground area.

7/26- Garbage enclosure gate looking like it needs replacement.

## 9. Future Meetings

Next Safety Meeting December 11th, 2024, to follow Regular Board Meeting.
